DETAILED ACTION

Examiner's Amendment.

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Cancel claim 1.

Reason for allowance

The following is an examiner's statement of reason for allowance: None of the references of record teaches or suggests the claimed Double-Sided Cooling Type Semiconductor Module having:

- The first cooler that includes the transformable member is a transformable type cooler while the second cooler is a fixed type cooler whose positional relationship with the semiconductor device is fixed.
- The additional transformable member is disposed to face the transformable member via the coolant chamber while including a support member upwardly protruding toward the transformable member within the coolant chamber.
- A variation amount of the transformable member is controlled by an operational amount of the sandwiching means.

- Of the transformable member, the first surface facing the coolant includes a cooling fin.

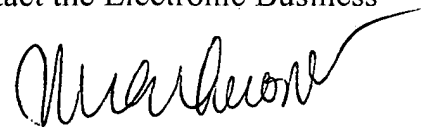

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
